# Banyan

## Slim Array

The XSCACE Banyan Speaker combines high-performance audio with sleek design. The Banyan Canopy features six 5" mid-frequency drivers and three 1.75" HF drivers for precise sound, while the Banyan Pith dual 12" subwoofer delivers deep bass down to 27 Hz, creating a powerful yet discreet audio solution.

# XSCACE

## Hear music that is true to the artist's intent.

Banyan has a broad frequency range, from powerful bass to sharp highs, making it ideal for playing any type of music. It has a high level of sensitivity and can handle a large amount of power, ensuring that your music will sound precise and powerful.
